## **BOOK SYNOPSIS**

Advanced Placement Classroom: Macbeth is a teacher-friendly resource for using one of Shakespeares greatest tragedies in the Advanced Placement classroom. Students will examine the play critically and analytically to understand aspects such as the nature of villainy and the history of the events that inspired the play. An extended section provides teachers with information on societal implications that impacted the plays creation, including witchcraft and The Gunpowder Plot. Teachers also will be able to implement exciting hands-on projects such as putting Macbeth on trial for the murder of Banquo and developing a soundtrack for the play.

### **ADVANCED PLACEMENT CLASSROOM A MIDSUMMER NIGHTS DREAM TEACHING SUCCESS GUIDES FOR THE ADVANCED PLACEMENT**
