## BOOK SYNOPSIS

A Steamy Alien Abduction Romance "...He had let her sleep alone the night of, for which she was thankful. The next night, however, he had made himself comfortable beside her as they settled in for the night. She slept in her clothing, unsure of the custom of sleep for the Kathon, but Thrain was not shy and slept completely naked. She hadn't been sure what to make of it when he'd come to her that way - she thought perhaps he meant to sleep with her, and she didn't know if that was something she was ready for, all things considered..."Kira never expected to leave Earth, let alone leave it under circumstances less than consensual. Whisked away suddenly to an alien planet, dominated by an alien warrior race entirely made up of powerful, ferocious males, she finds herself claimed by a warrior who says they're destined to be together. Will Kira ever be able to find her way home? Or will she succumb to the strange passions her alien captor awakes in her?AUTHORS NOTE: This is a stand-alone story with an HEA, so no cliff-hangers! This story contains explicit love scenes and is intended for 18+ readers only.
