## BOOK SYNOPSIS

\* NEW YORK TIMES NOTABLE BOOKS OF 2016 SELECTION \* BEST BOOKS OF 2016 SELECTION BY THE BOSTON GLOBE \* ENTERTAINMENT WEEKLY \* NPR \* CHICAGO PUBLIC LIBRARY \* The New York Times bestselling investigation into the sexual, economic, and emotional lives of women is “an informative and thought-provoking book for anyone—not just the single ladies—who want to gain a greater understanding of this pivotal moment in the history of the United States” (The New York Times Book Review). In 2009, award-winning journalist Rebecca Traister started *All the Single Ladies* about the twenty-first century phenomenon of the American single woman. It was the year the proportion of American women who were married dropped below fifty percent; and the median age of first marriages, which had remained between twenty and twenty-two years old for nearly a century (1890-1980), had risen dramatically to twenty-seven. But over the course of her vast research and more than a hundred interviews with academics and social scientists and prominent single women, Traister discovered a startling truth: the phenomenon of the single woman in America is not a new one. And historically, when women were given options beyond early heterosexual marriage, the results were massive social change—temperance, abolition, secondary education, and more. Today, only twenty percent of Americans are married by age twenty-nine, compared to nearly sixty percent in 1960. “An informative and thought-provoking book for anyone—not just single ladies” (The New York Times Book Review), *All the Single Ladies* is a remarkable portrait of contemporary American life and how we got here, through the lens of the unmarried American woman. Covering class, race, sexual orientation, and filled with vivid anecdotes from fascinating contemporary and historical figures, “we’re better off reading Rebecca Traister on women, politics, and America than pretty much anyone else” (The Boston Globe).

**ALL THE SINGLE LADIES UNMARRIED WOMEN AND THE RISE OF AN INDEPENDENT NATION** - Are you looking for Ebook *All The Single Ladies Unmarried Women And The Rise Of An Independent Nation*? You will be glad to know that right now *All The Single Ladies Unmarried Women And The Rise Of An Independent Nation* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *All The Single Ladies Unmarried Women And The Rise Of An Independent Nation* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *All The Single Ladies Unmarried Women And The Rise Of An Independent Nation* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *All The Single Ladies Unmarried Women And The Rise Of An Independent Nation*. To get started finding *All The Single Ladies Unmarried Women And The Rise Of An Independent Nation*, you are right to find our website which has a comprehensive collection of manuals listed.
