

# Financial Accounting Theory 6th Edition

## BOOK DETAILS

- Author : William R. Scott
- Pages : 592 Pages
- Publisher : Pearson
- Language : English
- ISBN : 0135119154

## BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Financial Accounting Theory provides a thorough presentation of financial accounting theories. This new edition continues to include considerable coverage of accounting standards oriented to IASB standards as well as major U.S. accounting standards. While the text discussion concentrates on relating standards to the theoretical framework of the book, the coverage provides students with exposure to the contents of the standards themselves.
