## BOOK SYNOPSIS

Ace the NCLEX-RN--with the help of nursing review pioneer Marlene Hurst! Use Marlenes unique "no cram, pass with what you already know" system and slash your study time in half Based on Marlene Hursts phenomenally popular nursing seminars that train over 30,000 students annually, this innovative review is loaded with the authors time-tested strategies--all designed to help you pass the NCLEX certification and course exams the first time around! NCLEX-RN Review breaks the mold of other review books by explaining how to apply critical thinking and test-taking skills, rather than how to re-learn course content. Marlene shows you how to effectively work with the "think-on-your-feet" philosophy of the NCLEX-RN, not against it. Features: A complete NCLEX-RN toolkit--from the worlds most sought-after speaker on passing the NCLEX Over 1,000 skill-building NCLEX-style questions, complete with answers and rationales Full of concise, easy-to-remember strategies that cut study time in half! An eye-catching four-color format "Marlene Moments"--Marlenes humorous anecdotes of common student mistakes that offer a light-hearted look at how new nurses learn to succeed "What the NCLEX Lady Thinks"--valuable tips that reveal the rationale behind certain types of NCLEX questions and how to adjust your strategy accordingly Chapter-ending NCLEX practice questions that solidify important information and show you how it will be tested on the NCLEX examination Downloadable material includes 300 additional NCLEX-style questions, plus downloadable MP3 audio tips from Marlene Hursts award-winning NCLEX reviews
