BOOK SYNOPSIS

A month-by-month culinary scrapbook that brings out the reveler in every home cook Ali Larter is a busy actress, well known for her roles on the NBC show *Heroes* and in movies such as *Varsity Blues* and *Legally Blonde*. But when not on set, she is usually throwing a dinner party or entertaining at home. In fact, Ali has been cooking and entertaining all her life, and in an instant, she can whip together a wonderful meal, whether its for a family Sunday brunch, a spontaneous Super Bowl party, or an elegant (but not stuffy) New Years Eve dinner. Her parties seem effortless, but it hasnt always been that easy for her. In fact, at Alis first dinner party, she made the common rookie mistake of putting too much pressure on herself to make things perfect. Needless to say, with hungry guests, a burned hand, a broken air conditioner, and a mouse scampering across her fourth-floor New York City walk-up, the night ended in disaster. Through the years of trial and error, Ali has learned that while looking effortless takes some effort, cooking is not about being perfect—its about having a great time! And now shes eager to share her passion and knowledge for cooking, collecting her favorite go-to menus into this wonderful cookbook: from her jalapeño cheddar cornbread to crab pots with lemon caper dip, lamb chop lollipops, strawberry mint cake, and for thirsty revelers, her eucalyptus gin martinis. Alis mouthwatering recipes and inspiring party ideas are broken down by month so you can take her lead through the seasons with celebrations such as an October Harvest Party, a January Detox, and a July Americana BBQ. Brimming with charm, beautiful and intimate photos, and Alis personal touch as a perfectly disheveled, sassy, effortless host, *Kitchen Revelry* will enliven and inspire your celebrations for years to come.

NEVENS COUNTRY LIVING COOKERY BOOK - Are you looking for Ebook Nevens Country Living Cookery Book? You will be glad to know that right now Nevens Country Living Cookery Book is available on our online library.
