BOOK SYNOPSIS

When Prince wanted to document his incredible 21 Nights at the O2 arena in London, he turned to Afshin Shahidi. Afshin met Prince in 1989 and became his videographer and later his photographer. He was the photographer closest to Prince for the last fifteen years of Princes life. Afshin is the only photographer to shoot the legendary 3,121 private parties in Los Angeles that became the most sought after invitations in Hollywood. Untitled Prince Photography Book compiles his work into a journey through Princes extraordinary life. With many never-before-seen photos, this is the ultimate collection of - some intimate, some candid, some in concert - shots of Prince, but all are carefully directed in the artist-as-art style that we associate with him. Deep photo captions are brief, but complete stories about Princes life at that moment - some are incisive, others are personal and even funny.
