BOOK SYNOPSIS

The Temperature Is Rising... Firefighter Cole Everetts life revolves around the firehouse. Committed to saving lives--and to the guys who always have his back in the most dangerous moments on the job--Coles focus is a coveted spot on the Fairview Rescue Squad. When his captain asks him to mentor a rookie firefighter, he jumps at the chance, hoping it will help to prove his skill. But the new "guy" is none other than Savannah Nelson, a female firefighter as stubbornly determined as Cole is, and a whole lot curvier in all the right places . . . Savannah wont let anyone extinguish her dream of fulfilling her family legacy and becoming a top notch firefighter--and shes happily surprised when strong-willed, sexy Cole is willing to give her the chance she deserves. Concentrating on the job isnt always easy when the heat between them flares higher every day, but Savannah wont give up--not even when one of Station Eights veterans seems bent on trashing her reputation. To stop a string of possible arsons, Savannah and Cole will need to eliminate every distraction--but can they let their love go up in flames? Praise for Kimberly Kincaid and her novels "An author on the rise." --RT Book Reviews "A sweet and sexy treat!" --Bella Andre "Smart, fun, and heartwarming." --Jill Shalvis
