BOOK SYNOPSIS

When Beatrice Graham is caught spying on a meeting between an influential senator and a powerful Arab prince, the Institute is left with no choice but to act quickly to protect both the naive eighteen-year-old intern and the secret she unwittingly overheard. Once she has been taken into the Institute's custody, it isn't long before Beatrice is naked and blushing as she is thoroughly and intimately examined. After the humiliating ordeal reveals her long-hidden need to be mastered properly by a dominant man, she is sold as a concubine to Diyab al-Rashan, the handsome sheikh on whom she so recently eavesdropped. Diyab promptly sets about training Beatrice, teaching her to offer her beautiful body for him to enjoy in any way he pleases and spanking her bare bottom soundly whenever she disobeys him. Her new owner's stern punishments and fierce lovemaking leave Beatrice deeply ashamed yet satisfied in a way she never dreamed possible, but can she truly find a place for herself in the sheikh's household?
